SECTION II – CONDITIONS

With respect to the coverage provided by this endorsement, Section II – **Conditions**, **A. Limit Of Liability** and **B. Severability Of Insurance** are deleted and replaced by the following:

A. Limit Of Liability

Aggregate Limit of Liability: Our total limit of liability in an annual policy period for the sum of damages payable under Coverage **E** and medical expense payable under Coverage **F** will be an annual aggregate limit of liability that corresponds to the dollar amount shown in the Declarations for Coverage **E**. This is the most we will pay regardless of the number of "occurrences", "insureds", claims made or persons injured.

Sub-Limit of Liability: Subject to the annual aggregate limit of liability described above, our total liability under Coverage **F** for all medical expense payable for "bodily injury" to one person as the result of one accident will not be more than the dollar amount shown in the Declarations for Coverage **F**. This Sub-Limit of Liability does not increase the Aggregate Limit of Liability.

The limits described above apply regardless of any provision to the contrary contained in this policy, including the policy Declarations.

B. Severability Of Insurance

This insurance applies separately to each "insured" except with respect to the Limit of Liability. Therefore, this condition will not increase the Annual Aggregate Limit of Liability regardless of the number of "insureds".

All other provisions of this policy apply.
